IMPORTANT: NOTICE REGARDING CHANGES TO FUNDS AVAILABILITY POLICY

We have updated our Funds Availability Policy due to recent changes in Federal Regulation CC. These changes reflect inflation-adjusted dollar thresholds for when we must make deposited funds available to you for withdrawal.

What has changed?

Effective July 1, 2025, the specified dollar amounts for making funds available to you for withdrawal have increased as follows:

Description	Our Amount (prior to July 1, 2025)	New Regulation CC Amount (on or after July 1, 2025)	Our Updated Amount (on or after July 1, 2025)
Minimum amount available for withdrawal by next business day for check deposits	$675*	$275	$825**
Cash withdrawal amount	$675*	$550	$825**
New account next business day availability amount for certain check deposits	$5,525	$6,725	$6,725
Threshold for large deposits triggering extended hold periods	$5,525	$6,725	$6,725
Threshold for accounts considered repeatedly overdrawn	$5,525	$6,725	$6,725

**Prior to July 1, 2025, we made an amount of $675 available to you for withdrawal on the first business day following the banking day on which funds were deposited, for use in connection with a check presented against the account or cash withdrawal. It satisfied the minimum required amounts under Federal Regulation CC, prior to July 1, 2025, for "Minimum amount available for withdrawal by next business day for check deposits" of $225 and the "Cash withdrawal amount" of $450 together (a combined amount of $675).*

***Effective July 1, 2025, we will make an amount of $825 available to you for withdrawal on the first business day following the banking day on which funds are deposited, for use in connection with a check presented against the account or cash withdrawal. This change satisfies the minimum required amounts under Federal Regulation CC, effective July 1, 2025, for "Minimum amount available for withdrawal by next business day for check deposits" of $275 and the "Cash withdrawal amount" of $550 together (a combined amount of $825).*

What do these changes mean for you?

These changes may affect how quickly deposited funds are available to you for withdrawal. We encourage you to review the updated Funds Availability Policy set forth in your updated Deposit Account Agreement, which will be available to you on or after July 1, 2025, at https://mcbankny.com/mcb-account-disclosure.
